## CONVICTION/CRIMINAL HISTORY INFORMATION

**This form must be completed to be considered for employment**

When considering individuals for employment (both career and volunteer), conviction/criminal history records are reviewed as they relate to the content and nature of the work, and the safety and security of the fire district staff and the public. A conviction/criminal history does not necessarily disqualify an individual for employment/volunteer membership. Criminal history records will be subject to a satisfactory criminal conviction report. Applicants will be asked to sign a separate release form. Applicants who do not sign the release will be removed from the consideration for employment/volunteer membership. \*Note\* If you have had a *felony arrest*, you cannot proceed with the application process. If you have had a *misdemeanor crime* against person within the past *10 years*, or any other *misdemeanor arrest* within the past *5 years*, you may not proceed with the application process.

**INSTRUCTIONS:** Complete ALL sections. The information you provide will be used only as it relates to consideration for employment (paid and volunteer).

## DRIVING RECORD EVALUATION:

All applicants for career and volunteer positions with Lewis County Fire Protection District #1 will have their driving records evaluated. Lewis County Fire Protection District #1 uses the violation point system listed below. If your permanent driving record reflects a total of six (6) points or more for a period of 36 months (3 years) preceding the date of your application, you will not be allowed to continue in the process.
